The Partnerships Technical Bureau (PTB) in collaboration with the Kuwait Municipality (KM) would like to invite competent international and regional companies to submit EOIs for the Kabd Municipal Solid Waste Project (the “Project”). The Project will be procured as a design, build, operate, finance and transfer structure in accordance with the PPP Law (Law No. 7 of 2008 regulating public private partnerships).

The proposed facility will be located in Kabd area, located approximately 25 km from Kuwait City and occupy an area of 500,000 m².

The objectives of the Project are diversion from landfill, generation of renewable energy, minimising water usage and recycling. The facility is expected to contribute to the modernisation of Kuwait’s integrated municipal solid waste system by improving its economic, environmental and social performance.

The scope of the Project is to design, build, finance, operate and transfer a waste to energy (“WTE”) facility with an initial design capacity of 3,000 tonnes per day. The electricity generated by the plant will be purchased by the Ministry of Electricity and Water (MEW) through a power purchase agreement (PPA). The term of the contract with the Kuwait Municipality for the Project is expected to be 25 years in addition to four-year design and construction period.

All interested and competent companies are requested to visit the following website of the Partnerships Technical Bureau, http://www.ptb.gov.kw/en/procurement.php, in order to obtain the Request for EOI document, which is available free of charge.
EOIs for the Project must be submitted by e-mail to mswproject@ptb.gov.kw and be in accordance with the submission requirements set out in the Request for EOI document, by no later than 12 noon (Kuwait time) on **Sunday 17 November 2013**.

The EOI process will be followed by a Request for Qualification phase to be announced at a later date.

- The Partnerships Technical Bureau reserves the right to amend the scope of the Project, modify, cancel or suspend the Expression of Interest process or any or all stages of the investment opportunity, at any time for any reason without any liabilities.
