

Attachment 1

Forms

FORM 1

LEGAL FORM AND ORGANISATION OF BIDDER/BIDDING GROUP

This form shall be completed on behalf of the Bidder and, in the case of a consortium, by each member of the consortium.

All Bidders/members of a consortium who are members of a wider group of companies (i.e. who are ultimately controlled by another entity(ies)) must supply, in addition to the information specified in this Form, an organigram of the group of companies of which the Bidder forms part.

No.	Item	
1	Name of Bidder	
2	Nationality/laws pursuant to which organised.	
3	Principal Office Address and place of incorporation	
4	Registered Number of incorporation	
5	Telephone/ Telex/ Fax/e-mail	
6	Regional Office Address	
7	Telephone/ Telex / Fax/e-mail	
8	Name and Position of Contact Person	
9	Share of Total Equity to be held in the Project Company	
10	Type of Entity (company, corporation, limited partnership etc)	
11	Main activity/role in Project*	
12	Bidder/Managing Member of the Consortium	

* Item 11 requires a description of the main activity or business of the Bidder or, in the case of a consortium, of each consortium member in relation to the Project, e.g. construction, design, engineering, project management, equipment, equipment supply, operation and maintenance; in addition, a lead a Managing Member must be designated for each consortium (item 12).

FORM 2
BIDDER/CONSORTIUM QUALIFICATIONS

Part 1

Power Generation Development Experience

Name of Bidder/Consortium Member(s): _____

Independent (water and) power projects successfully developed summarized in Table 1:

Project Name/Location	Power Plant Capacity	(Water Plant Capacity)	Date Commercial Operation commenced	Share-holding %

Generation Ownership Requirement

Name of Bidder/Consortium Member(s): _____

Generation capacity owned world-wide: _____ MW

Consisting of the projects summarized in Table 2:

Project Name/Location	Power Plant Capacity	(Water Plant Capacity)	Date Commercial Operation commenced	Share-holding %

Part 2 - Detailed Project Experience

For each project named under Part 1 (Table 1 and Table 2), please indicate as follows:

No	Items	Details
1	Name of Plant	
2	Name of client	
3	Company	
4	Assignment activities	
5	Location of Plant	
6	Developer/EPC Contractor/O&M Contractor	
7	Project type (build own operate, build own operate and transfer, etc.) and description of the Project	
8	Project/ Power Plant/Water Plant cost	
9	Sources of funds for Project/Plant	
10	Debt to equity ratio	
11	Lead institutions financing the Project	
12	Was the developer the owner of the Plant? If not name owner	
13	Start date of construction (month / year)	
14	Completion date (month / year)	
15	Description of services provided by Bidder	
16	Bidder's role after Plant commissioning e.g.: Owned, operated and maintained Operated and maintained Other	
17	For whom was the electrical output (and water output) provided?	
18	Duration of the Power (and Water) Purchase Agreement	
19	Type of Plant; fuel, output and the role of Plant (e.g. base load)	

No	Items	Details
20	No. of units and rating (power and/or water)	
21	Dates of commercial operation of each unit	
22	Principal manufacturers of major equipment <ul style="list-style-type: none"> - Gas turbines - HRSGs - Steam turbines - Generators - Desalination units - Water treatment equipment
