

31 JAN 2012

Partnerships Technical Bureau Az-Zour North Independent Water and Power Project

The Partnerships Technical Bureau hereby gives notice that, in respect of the Az-Zour North Independent Power Project (the "Project"), a public session will be held at 12:00pm Kuwaiti on 5th of February 2012 whereby envelopes containing bidders' financial proposals shall be opened. All pre-qualified bidders who obtained the request for proposals in respect of the Project are invited to attend. Please note that attendance is restricted to a maximum of two (2) representatives from each bidder. Please provide Partnerships Technical Bureau (by email to Mr. AbdulAziz Al-Hedaib: a.alhedaib@ptb.gov.kw) with the names and contact details of any proposed attendee no later than 12:00pm Kuwait Time on the 1st of February 2012. Bidders who have submitted proposals for the Project and whose financial proposals are to be opened at the session have been notified in writing with additional instructions.

The public session must be quorate i.e. attended by a majority of the bidding committee's members. If the public session is not quorate, the envelopes shall not be opened and the minutes prepared about their condition and safety to be signed by the bidding committee's attending members and the session adjourned to the nearest possible date.

If quorate, the bidding committee shall recite the value of each proposal loudly and the same shall be written down in a table prepared for such purpose.
